Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for Easton Street/GlenOak HS Intersection Improvements in surface transportation reauthorization legislation.

The project sponsor for this project is Stark County Engineer and the project is located at Easton St and Rosedown Blvd, Canton, Ohio 44721.

The funding is designated for construction of a traffic signal or roundabout.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: Serve the general public that travels on Easton Street; to protect the students, parents and school staff who travel to Glenoak High School complex; and the Plain Township residents who live in the Lexington Farms subdivision and surrounding neighborhoods.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely

Bob Gibbs
Member of Congress
